

AmTrust North America provides a suite of small business insurance products including: workers' compensation, BOP, commercial package, general liability, property, inland marine, employment liability, commercial auto, lumber specialty and garage.

These lines have also been customized to fit the auto service repair, financial institution, lumber, nonprofit, restaurant and transportation sectors for the niche products we offer.

Why Choose AmTrust?

Flexibility

We have multi-state capability, multi-tiered pricing and multi-line capability, combined with exceptional customer service and a dedicated staff of insurance professionals, who all share the same vision. Insurance is our product, customer service is our business.

Payment Options

We have cost-effective and flexible payment options to fit your needs. We offer a variety of ways to pay including online payment, as well as payment by phone or check.

Risk Management

At AmTrust North America, we specialize in risk management solutions and are dedicated to helping you mitigate losses in the workplace. Whether you require safety and loss prevention assistance, underwriting support, risk management and administration, auditing, inspection or overall risk management solutions, we give you the individualized attention your company deserves.

Claims Service

We have a 24/7 Claims Reporting Center where our Claims Specialists will provide you with live assistance when reporting a claim that can be accessed online. Regional claims professionals located nationwide, such as dedicated adjusters and a medical director, properly take care of your claim and ensure a seamless and efficient process.
