

# Save Time and Money by Targeting Your Training

**The Institutes' Knowledge Assessments and Solutions** is the only training tool for the risk management and insurance industry designed to reveal, fill, and reassess specific employee knowledge gaps. Through targeted training, your organization can:

- ▶ Save time and increase productivity by focusing on the most-needed training areas
- ▶ Improve performance and drive business results with customizable educational solutions
- ▶ Increase your return on investment while taking a resource burden off your internal training department

## How It Works:

**Key Features:**

- ▶ Convenient online delivery
- ▶ Company and individual reporting capabilities
- ▶ Customizable options
- ▶ Built-in course solutions

**Knowledge Assessments and Solutions' Proven Results:\***

One organization saved 1,000 hours of valuable training time while also closing a critical knowledge gap identified in 25 percent of its employees through a five-hour targeted online course.

\*Results from a 2013 Knowledge Assessments and Solutions pilot.
