

new york's insurance industry: FLEXIBLE, STABLE, & MEANINGFUL CAREERS

*P&C = Property & Casualty Insurance

FLEXIBILITY

"Some days my office is here in Syracuse, some days my office is on the road, and some days my office is at home. **I like the flexibility and the variability.**"

- Scott, Big I NY

STABILITY

The P&C* industry as a whole provides NYS with over

152,000 jobs.

CULTURE

"**I have always felt supported in my passions.** Whether it is working with small businesses and entrepreneurs, or working with women specifically."

- Rina, OneGroup

HELPING OTHERS

"**Helping people is one of the things I enjoy the most.** What insurance does is it helps people. You can have that good, warm feeling every day."

- Mike, Crowley Insurance Agency

INCOME POTENTIAL

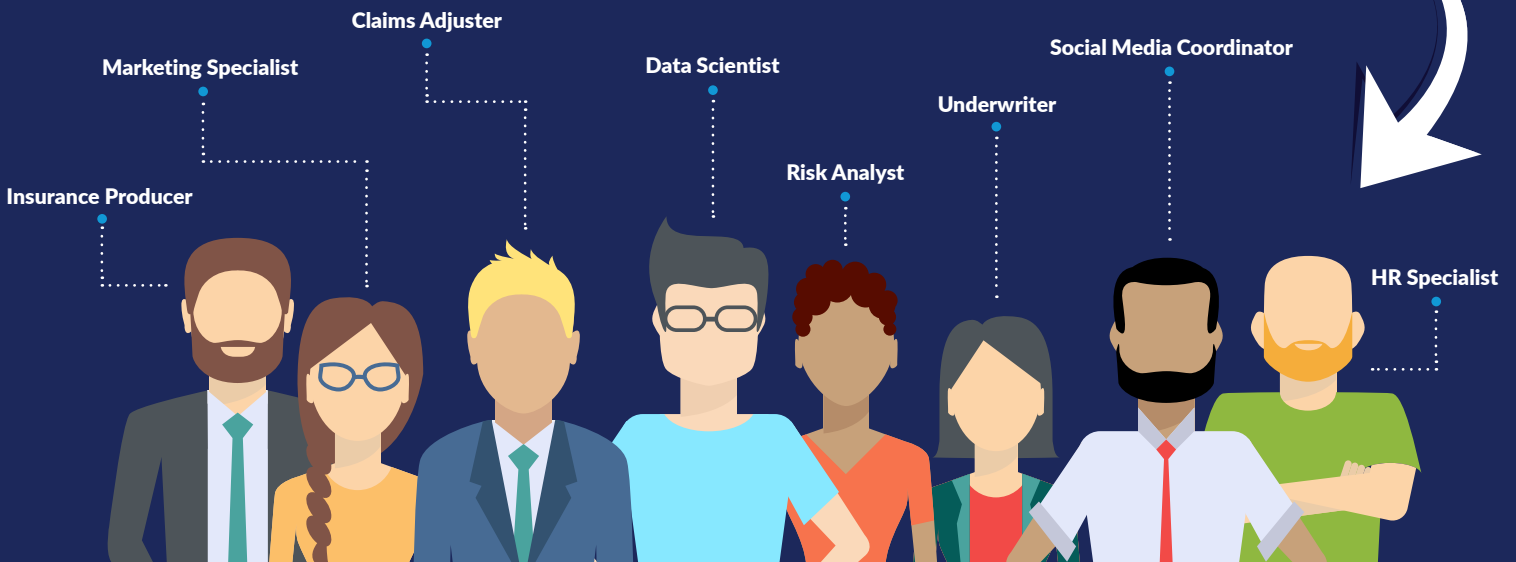

Average pay supported by the P&C* industry is roughly **\$85,000.**

That's 44% higher than the average for all NYS jobs!
