

Temporary Staffing Services Program

PMC Insurance Group is pleased to offer workers compensation solutions and risk management services to the Staffing Industry. Historically, finding workers' compensation coverage was difficult for this class of business. PMC has partnered with A.M. Best A rated insurance carriers, industry specialists, the American Staffing Association (ASA) and industry specific loss control.

PMC's Staffing Services Program team has staffing industry specific expertise and experience that will find competitive insurance solutions for your agency and staffing accounts.

Meeting your workers' compensation placement needs!
