WHAT is IAPAC?

IAPAC is the Independent Agents Political Action Committee. It is a special fund with the express purpose of supporting candidates for NY office who understand and support the independent agency model. IAPAC helps us build deep relationships with state lawmakers.

WHY should I care?

The decisions made in Albany have far-reaching consequences for your business and your customers. IAPAC helps give you a powerful voice and is instrumental in supporting our legislative efforts. IAPAC defends against burdensome and unreasonable mandates so you can focus on what matters: helping your customers!
