

## Annual Local Association Challenge

### What is It?

Stack the PAC is an annual challenge which recognizes the top performing local association in fundraising for IAPAC, Big I NY's state political action committee.

### Who is Eligible?

All active NY local associations are eligible.

### How is the Winning Association Determined?

The winner is based on a weighted score, which levels the playing field and allows even small local associations the opportunity to win.

How the weighted score is calculated:

- Total amount raised (25%)
- Percentage of the association's members who contribute to IAPAC (75%) during Big I NY's fiscal year (May 1- April 30th)

### What is the Prize for Winning?

PRIDE! The winning association will also be awarded the Champion Cup (cue the lights & dramatic music). At the end of the contest year, the cup is transferred to the next winner.

The winner will also be recognized on Big I NY's social media channels, email, and will receive a unique graphic that can be displayed on their website, social media, etc. #PowertoBrag

### April 15th Deadline:

After April 15, Big I New York will stop providing Stack the PAC progress updates to local associations. Contributions submitted after April 15 will be counted toward the FY26 Stack the PAC contest only if received and fully processed by Big I New York by April 30. Due to processing timelines, contributions made near April 30 are not guaranteed to be credited to FY26 and may be applied to the following fiscal year.
