

Uniting the P&C Insurance Industry

WE ARE a coalition of *property and casualty insurance companies and agents* who support New York's independent insurance agency system and its ability to serve customers.

OUR FOCUS

Legislative & Regulatory Education

We equip policymakers with industry insights to foster a healthy marketplace for insurance consumers.

Industry Research

NY First conducts industry research to guide data-driven decision making.

Collaboration

NY First brings the right voices together to support New York insurance consumers.

A group of Big I New York,

we are led by a committee of both agents and carrier representatives.
